COMMISSIONER'S FINDINGS OF FACT,
CONCLUSIONS OF LAW, AND ORDER

I. FINDINGS OF FACT

12. Respondent Gaudino is a resident of Palm Beach County, Florida. Intermittently, from September 2004 through January 2008, Respondent Gaudino was registered with the National Futures Association as an Associated Person. His records show no adverse regulatory awards, arbitration proceedings nor Commodity Futures Trading Commission actions against Respondent Gaudino.
13. In or about December, 2006 and into early 2007, but no later than April 2007, Respondent Gaudino took a sales position with Respondent enterprise Seedub Capital Ventures, Inc. ("SCV"), located in Palm Beach, Florida. Respondent Gaudino was informed by management that SCV was a branch of Respondent The Bullion Group, Inc. ("Bullion Group"). Respondent Gaudino worked singularly for SCV.
14. On February 10, 2010, Respondent Gaudino provided the Enforcement Section with his voluntary statement of the matters alleged in the August 25, 2010 Order initiating this matter, which information he affirms as part of this Order as true and correct.
15. During the period of December, 2006 through no later than April of 2007, Respondent Gaudino solicited the public for the purchase of precious and industrial metals on behalf of SCV and its affiliated entities. The names of the persons to be solicited were provided by SCV. Respondent Gaudino has no specific recollection of soliciting Missouri investors nor had he maintained any records of his activity on behalf of SCV, as those records were owned by SCV.
16. On August 25, 2010, the Enforcement Section alleged Respondent Gaudino solicited a Missouri resident on behalf of the Respondent Bullion Group, on the market opportunities to invest in gold and silver. The investment could be made on margin and the charges would be a onetime fee of fifteen percent (15%) of the purchase price.

The resident agreed to receive and did receive investment materials from The Bullion Group.

17. The Missouri resident had no prior experience in investing in precious metals. On November 7, 2006 the resident received documents to open an account that failed to delineate commissions and fees, describe what services will be provided, and provide detail on the margin account arrangements. On that same date the Missouri resident made his first investment in silver for five thousand eight hundred forty dollars (\$5,840).

II. CONCLUSIONS OF LAW

18. The Commissioner finds Respondent Gaudino violated Section 409.803.1 RSMo. (2000) and Section 409.810 RSMo. (2000).
19. The Commissioner, after consideration of the stipulations set forth above and on the consent of Respondent Gaudino and the Enforcement Section, finds and concludes that the Commissioner has jurisdiction over Respondent Gaudino and this matter and that the following Order is in the public interest, necessary for the protection of public investors and consistent with the purposes intended by Chapter 409, RSMo.

III. ORDER

NOW, THEREFORE, it is hereby Ordered that:

1. Respondent shall pay a civil penalty of five thousand dollars (\$5,000). This payment shall be sent within ten (10) days of the effective date of this Consent Order to the Securities Division at 600 W. Main Street, Jefferson City, Missouri 65101, and shall be payable to the State of Missouri. The Secretary of State shall forward these funds to the state treasury for the benefit of county and township school funds as provided in Article IX, Section 7 of the Constitution of Missouri; and
2. Respondent shall pay their own costs and attorneys' fees with respect to this matter.

SO ORDERED:
